official development
assistance (ODA)

Private Sector Financing
Public-Private Partnership
(PPP)

Accelerating Infrastructure Development

*The Plan's infrastructure development program aims to contribute to **inclusive growth and poverty reduction**.*

*It will support the performance of the country's economic sectors and ensure **equitable access to infrastructure services**, especially as these affect the people's health, education, and housing.*

*Toward these ends, the government will accelerate the provision of **safe, efficient, reliable, cost-effective, and sustainable infrastructure**.*

PHILIPPINE DEVELOPMENT PLAN

2 0 2 3 - 2 0 2 8

PPP Center of the Philippines

The PPP Center facilitates the implementation of the country's PPP Program. It serves as a central coordinating and monitoring agency for all PPP projects.

Outlook for the Philippine PPP Program

PPP Projects in the Pipeline

UP-PGH Cancer Center Project

- **300-bed comprehensive inpatient and outpatient** Cancer Center facility will serve both underprivileged and private patients under a **30-year Build-Transfer-Operate scheme**
- **Bidding documents are now available.**
- The private partner will be selected through an open, competitive tender through a single-stage process based on the lowest required Annual Payment.
- The **Bid Submission Date** is indicatively scheduled for the **first quarter of 2024.**

Upgrade, Expansion, and Operations, and Maintenance of the Ninoy Aquino International Airport (NAIA)

- Department of Transportation (DOTr) and Manila International Airport Authority (MIAA)
- With an **estimated cost of 170.588 billion pesos**
- The concession period is 15 years, extendable by 10 years provided that the Concessionaire is not in flagrant violation of the PPP contract. The extension will be determined on the 8th year of the concession.
- **Pre-Bid Conference was held on September 25, 2023**

PPP Projects in the Pipeline

Dialysis Center PPP Project for the Renal Center Facility of the Baguio General Hospital and Medical Center (BGHMC)

- Department of Health
- Involves the **retrofitting of BGHMC's existing dormitory building** and **expansion of the existing capacity** of BGHMC's dialysis unit
- **16 years**, inclusive of a one-year retrofitting period for the building and a **15-year operation period** under a **Build-Operate-Transfer (BOT) scheme**
- The **private partner** is expected to finance, design, retrofit, operate, and maintain the facility, including the supply of needed machines and equipment.

Upgrade, Expansion, and Operations, and Maintenance of the Laguindingan International Airport

- DOTr and the Civil Aviation Authority of the Philippines (CAAP)
- Span of **30 years** and entails upgrading the existing facilities, capacity augmentation, installation of required equipment, enhancement of airside facilities, and comprehensive operations and maintenance (O&M) services
- With a total project cost of **12.75 billion pesos**

PPP Projects in the Pipeline

Upgrade, Expansion, Operation, and Maintenance of the Bohol-Panglao International Airport Project

- The upgrade aims to integrate the new concepts of **'Green'** and **'Connected'** airports
- The **private partner** is expected to be responsible for the operation and maintenance of the existing airport facilities, including all enhanced airside facilities. Further, it will be in-charge with the development, operation, and maintenance of the airport's commercial assets.
- The project will run for **30 years**.

Tarlac–Pangasinan–La Union Expressway (TPLEX) Extension Project

- Department of Public Works and Highways (DPWH)
- The **59.4 kilometer extension** will cut the travel time from Rosario to San Juan from 96 minutes to 42 minutes
- The first segment spanning Rosario to Tubao, La Union is **estimated to be operational by 2026**, while the **entire project is to be completed by 2028**
